

# Courts of Faith (Youth Ministry)

## Program Overview: Courts of Faith

We are proud to reintroduce Courts of Faith as Nati Elite's Christian ministry, created to help youth and families grow in their relationship with Jesus Christ through weekly Bible study, scripture memorization, and Christ-centered fellowship.

## Objective

To create a Christ-centered environment where athletes and families can learn the Word of God, grow spiritually, and boldly live out their faith—on and off the court.

## Why This Matters

We believe basketball is a powerful tool—but eternal transformation comes through a personal relationship with Jesus. This ministry equips young people with biblical truth, godly mentorship, and the opportunity to walk in faith with purpose.

## Program Components

- Wednesday Bible Studies – Spirit led sessions for youth and families
- Scripture Challenges – Bible memory with purpose and prizes
- Faith-Based Games – Reinforcing spiritual truths in engaging ways
- Prayer & Worship – Creating space for worship, prayer, and testimony
